AUSTIN DESIGN WEEK PREVIEW

For Austin Design Week, the show will be presented mid-installation as the backdrop for a open conversation about doing and thinking. Artists and curators will chat with visitors and refreshments will be served. We will talk about how we should talk about the work we do now. — **Monday, Nov 4, 2-4pm**

ART DESIGN surveys creative practices that overlap cultures, primarily professional design and fine art, but also politics, business, spirituality, and social change. Never outliers, just rarely discussed—hybrid art-design practices have blossomed in the twenty-first century. The show is a conversation about art-design as a profession shaped by contradictory pressures and motives. We attempt to find—and share—ways to talk about the ways we work now.
